

The Board of Directors' proposal regarding authorization of the Board of Directors to resolve on acquisitions and transfers of own shares

The Board of Directors of KlaraBo Sverige AB, corp. reg. no. 559029-2727 (the "**Company**") proposes it be authorized to, on one or several occasions during the period until the next Annual General Meeting, resolve on acquisitions of own shares as follows:

1. Acquisition may take place provided that the Company's holding does not at any time exceed ten per cent of all shares in the Company.
2. Acquisition may take place on Nasdaq Stockholm.
3. Acquisitions on Nasdaq Stockholm may only occur at a price per share within the price interval registered at any given time, i.e. the interval between the highest bid price and the lowest selling price.
4. Payment for the shares shall be made in cash.

The Board further proposes it be authorized to, on one or several occasions during the period until the next Annual General Meeting, resolve on transfer of the Company's own shares as follows:

1. All treasury shares held by the Company at any given time may be transferred.
2. Transfer of own shares shall be made either on Nasdaq Stockholm or in another manner with deviation from shareholders' preferential rights.
3. Transfer of shares on Nasdaq Stockholm may only occur at a price per share within the price interval registered at any given time, i.e. the interval between the highest bid price and the lowest selling price. Transfer of own shares in another manner shall be conducted under market conditions, subject to issue discounts in line with market practice.
4. Payment for transferred shares may, apart from payment in cash, be made in kind or by set-off.

The purpose of the authorization to acquire and transfer own shares is to provide the Board of Directors with greater freedom of action in relation to the Company's capital structure, and to make it possible for the Company to finance acquisitions with own shares. The possibility to deviate from the shareholders' preferential rights when transferring own shares is motivated by the fact that a transfer of shares on Nasdaq Stockholm, or otherwise with the deviation from the shareholders' preferential rights, can be done more rapidly and more cost efficient than by a transfer to the shareholders. If, in connection with an acquisition, the Company's own shares are transferred against compensation in any other form than cash, the Company cannot provide the shareholders the opportunity to exercise their preferential rights.

A resolution in accordance with this proposal is valid only where supported by shareholders holding not less than two thirds of both the votes cast and the shares represented at the General Meeting.
